Survey of Interest Level for a Master of Science in Applied Computer Science

The Adventist University of Africa is investigating the level of interest for its Master of Science in Applied Computer Science program. A brief description of the program and its areas of specialization are provided along with this survey to help you learn more about it. We need your help to find out how to gear our strategies for the future in order to better meet the need of the constituencies we serve. Please answer the following questions to help us estimate the demand for the program and design it to best fit the needs of potential students.

You can participate to this survey in one of the following ways:

1. Print and fill the questionnaire and send it by mail to: Adventist University of Africa, Private Bag Mbagathi, 00503, Nairobi, Kenya.
2. Fill the questionnaire and send it by e-mail to the following address: bondel@aua.ac.ke
3. Take the survey online at the following URL:

Thank you for your time and interest.
